

Vintage Velvet Redux

Adapted by Pamela Northrup from "Vintage Velvet" by Lisa Daniels from *Scarf Style*

3 Balls Muench Touch Me

US8 needles, or size required for gauge

Gauge: 26 stitches and 22 rows = 4 inches

Cast on 22 stitches, and follow chart below until scarf is desired length.

The first and last stitch are always knitted to form a selvedge edge.

The section outlined in red is standard 1x1 ribbing for the center cable. The outside sections are the mistake rib.

Once scarf is complete, it can be machine-washed and dried to give it the velvet-like texture.
